CAMPING

Croatian Tourist Regions

In Croatia, any form of camping in free areas outside registered camping sites, or parking areas for caravans and motorised campers, is forbidden and is punishable by law.

WELCOME!

We are delighted that you have decided to visit our country and we wish you a warm welcome. The Croats call their country "Our beautiful Homeland", which is the opening line of the Croatian national anthem. The Republic of Croatia is a European parliamentary state and a part of European political and cultural history. It is classed as a medium sized European country such as Denmark, Ireland, the Slovak Republic and Switzerland. Croatia is a land of open frontiers and clear-cut customs regulations. It is also a place of harmony and one that is respectful towards its guests. We strive to make our country beautiful to all those who visit it, and we do our best to ensure that visitors take the most beautiful memories home with them.

Welcome to Croatia!

Visitor's tax is not included in prices shown. In accordance with current law in the Republic of Croatia, Visitors' tax is calculated per each day spent in a campsite and differs according to season and the category of the tourist resort. For example, Visitors' tax levied in an A-category tourist resort (i.e. the most expensive), in the period from 1 June to 30 September is 7.00 Kunas per person. Such tax is not payable for accompanied children up to the age of 12 years. For accompanied children between the ages of 12 and 18 years, the amount of Visitors' tax payable is 50% of the above stated amount.

Prices shown in this price list are for orientation purposes only and are subject to change without prior notice. Prices are shown in Euros.

Travel documents

A valid passport or some other identification document recognised by international agreement; for certain countries a personal identity card is sufficient (i.e. a document which testifies to the identity and citizenship of the bearer). Information: Diplomatic missions and consular offices of the Republic of Croatia abroad or the Ministry of Foreign Affairs and European Integration of the Republic of Croatia. tel: +385 1 4569 964; e-mail: konzulami.poslovi@mvp.hr; internet: www.mvpei.hr

Customs regulations

Customs regulations in the Republic of Croatia are almost completely harmonised with the regulations and standards of EU member states, but the value of items of a non-commercial nature for personal use which may be brought into the country without paying tax duty or VAT is limited to 1.000 HRK (kuna)

Foreign citizens and Croatian citizens with foreign residence may bring in to, or take out of, Croatia, foreign or local currencies by cash or cheque without restriction, but amounts exceeding 10,000 euros must be declared to a customs official upon arrival in, or departure from, Croatia. Valuable professional equipment and technical devices must also be declared to a customs official at a border crossing.

VAT is refunded to foreign nationals when leaving the country in respect of individual goods purchased in Croatia, for amounts exceeding 740 HRK (kuna) per purchase excluding VAT, upon presentation of a Tax Cheque form certified by a customs official when the goods are taken out of the country. The Tax Cheque form must be certified within 3 months of purchase and the request for the refund of VAT must be submitted within 6 months of the date of purchase.

For additional information, please contact the Customs Administration (www.carina.hr)

Information regarding the regulations relating to the import of products of animal origin in personal luggage can be obtained from the Ministry of Agriculture, Fisheries and Rural Development - Administration for Veterinary Medicine (Tel.: + 385 1 6109 749, 6106 703 and 6106 669), www.mps.hr

Post and telecommunications

Post offices are open from 7 a.m. to 7 p.m. on weekdays, in smaller centres from 7 a.m. until 2 p.m. Some offices work a split shift. In bigger towns and tourist centres, duty post offices are open on Saturdays and Sundays. Phone cards are used in all public telephones and may be purchased from post offices and newspaper kiosks. International calls may be made directly from any public telephone. Internet: www.posta.hr

Shops and public services working hours

During the tourist season, most shops are open from 8 a.m. until 8 p.m. on weekdays, and most are open during the weekends as well. Public services and business offices work from 8 a.m. until 4 p.m., Monday to Friday.

Health services

There are hospitals and clinics in all larger towns and cities, while smaller centres have surgeries and pharmacies. Foreign visitors who are covered by health insurance in their own country do not have to pay for emergency health care during their private stay in the Republic of Croatia provided a convention on Social Security has been signed between their country and Croatia. This is on the condition that they possess a certificate stipulated by such a convention confirming their right to health care. Health care (including transport) is provided for emergency cases in the same manner and according to regulations valid for Croatian citizens covered by Social Security, with foreign visitors paying the same excess health care costs as Croatian citizens. People from countries with which no such convention has been signed shall personally bear the costs of the health services provided.
